N'djamena, Chad

Dear Major General Ibrahim:

We write to thank you for your participation in the Africa Center's webinar on the Multinational Joint Task Force. Your attendance and the insights you delivered regarding your ongoing tenure as Force Commander were greatly appreciated by me, our leadership, and the entire Africa Center team. In addition, your knowledgeable contributions and pointed understanding of the MNJTF's strategic accomplishments and challenges helped expand participants' understanding of the subject matter and helped make the webinar a true success. We would like for you to know that your contributions were heard by a wide array of security specialists as the event had over 330 registered participants from 56 countries around the world.

We are all the more confident, given this impressive attendance, that your poignant reflections allowed participants to internalize lessons and recommendations from the broader MNJTF experience. We hope these insights continue to inform future African-led peace operations and shape the development of the African regional security architecture going forward. Thank you for your continued support of the Africa Center and our programs. We hope to work with you in a more formal capacity in the near future.

Sincerely,
